

Seventh Annual Ventura County

BRAIN INJURY CONFERENCE SERIES

*Surviving, Striving
and Thriving with
Acquired Brain Injury*

This year the Brain Injury Center is offering a Conference Series that will provide a variety of sessions throughout the year and throughout the county, offering panels, presentations, activities and more by leading physicians, and professionals.

Registration is \$15 per session. Register online today at www.BrainInjuryCenter.org for our upcoming session, or call 482-1312.

Check online for additional sessions to be added throughout the year.

Tackling Traumatic Brain Injury

Learn all about concussions, PTSD, unlocking the secrets of traumatic brain injury, the art of recovery, art therapy, the crisis/emergency of brain injury and how the hospital responds to trauma patients. Presented by Dr. Thomas Duncan, D.O., FACS, FICS, Co-Medical Director of Anacapa Surgical Associates and Co-Trauma Medical Director at VCMC.

When: Thursday, March 31, Noon to 1:30 pm

Where: Academic Family Medical Center, 3291 Loma Vista Road, Ventura, Bldg. 340, 1st Floor, Auditorium.

We would like to thank our sponsors:
